

## Talents I Currently Bring

Working together with people to find solutions to difficult problems

Overseeing projects of different levels of scope

Raising my children to be respectful of others

Playing guitar; at times, will do gigs with a local band

## New Talents I Want to Develop

Competence in building successful consultancy practice

Increasing musical skill sets to go on future tours

Being able to listen more/judge less when my spouse and kids ask for my help in addressing problems

Become better at financial planning and investing

Ability to accept myself for who I am, focusing on my strengths

## Passions (Greatest Loves) I Bring

Helping others to better their current life situations

Enabling small businesses or non-profits to become more efficient

Building financial resources to use and enjoy later

Being outdoors - hiking, camping, etc.
